Office Skills: Quicken, billing and accounts, client relations, client records, dental charts, collections, billing, insurance claims, insurance problem solving, supply maintenance, scheduling, special projects, client/therapy management, client emergency services.

Education Skills: Curriculum and lesson design, grant writing, classroom management, parent communication, PLC leader, field trip coordinator, budget manager, team leadership, digital curriculum development, remote educator, educational technology specialist, English as a Second Language specialist, social studies, math, music, technology, coding, writing, reading, physical education, weird YouTube brain-breaks, and general childish fun.

INTERESTS AND ACTIVITIES

I enjoy literature, sewing, beading, yard work, running, playing the piano, ukulele, viola, guitar, violin, singing, swimming, lazy fireplace sitting, spending time with my three children, and dreaming about places where I long to travel. I ran my first half-marathon this past fall. Unfortunately, it wasn't far enough to get me to Spain.
